Marabu

MARABU KiDS

THE BRIGHT AND WONDERFUL WORLD OF COLOUR

Our new product line Marabu KiDS has been specially developed for children and meets the highest quality and safety standards. With our finger and craft paints, Window Color sets, pens and paints for fabric, glass and porcelain, children can give free rein to their imagination, experiment, paint, mix and design. The Marabu KiDS Soft Modelling Compound enables fun experiences with three-dimensional designs while a Marabu KiDS 3D Puzzle is the perfect way for children to explore their dexterity. Our wooden pendants are furthermore ideal for kids to paint and transform into their first unique creations.

Marabu represents over 150 years of experience – and this concentrated knowledge continually flows into the development of Marabu KiDS.

TOP QUALITY

Marabu produces under the 'Made in Germany' quality seal.

SUSTAINABILITY

This is not just a buzzword for us, but something we actively promote: in our in-house laboratories, we consistently research environmentally friendly ingredients and the most resource-conserving production processes.

CERTIFIED SAFETY

We ensure that the high standards placed on our products are met by performing checks in our own laboratories as well as having them confirmed by independent test institutes.

The mark of
responsible forestry

Look for FSC®
certified products.

FINGER PAINT

The creamy pasty KiDS finger paint in shimmering metallic or brilliant basic colours provides ideal painting fun and is suitable for many materials such as paper, cardboard, glass, wood or plastic film. The creamy, pasty paint can be applied with fingers, hands, brush, sponge or spatula. They can be mixed together to provide a unique colour experience. KiDS finger paint can easily be removed from textiles by washing at 30 °C.

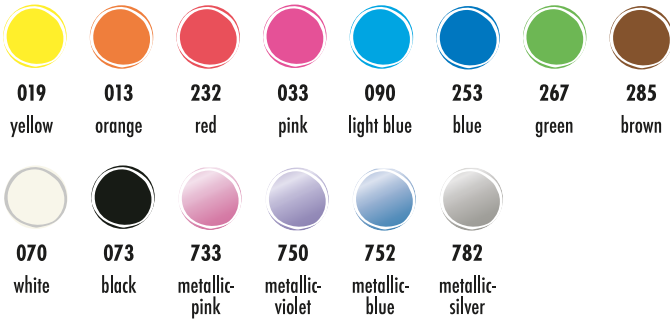

- ✓ paraben-free
- ✓ vegan
- ✓ lactose-free
- ✓ gluten-free

 073)

03030 000 00084
 Finger paint set
 METALLIC:
 4 x 100 ml (733,
 750, 752, 782)

03030 000 00085
 Finger paint set:
 6 x 35 ml (019, 013,
 232, 253, 267, 073)

TIP

The finger paints enable even the youngest artists to enjoy exciting mixing experiments with primary colours. Dabbing on metallic finger paints adds extra shimmer and shine to the picture! A plate or thick piece of cardboard makes a perfect mixing palette.

CRAFT PAINT

The vividly coloured, water-based craft paint is ideal for many different materials such as paper, cardboard, wood, stone and glass. The creamy, ready-to-use paint can be applied with a brush, sponge or spatula and is ideal for various techniques such as potato printing, stamping, marble technique, etc. Good coverage, easy to apply, quickdrying, dilutable with water, colours can be mixed together. Craft paint is ideal for children from the age of 3.
