CATALOG

Introduction

This electronic catalogue will be your guide through our range. Simply „clic“ and you will jump from the list of compatibilities to the price list and from the technical data sheets to the global presentation of our product families. So, you will be able to find the suitable item for each application..

Use this button in the upper part of the page to jump from each page comfortable for

price lists overview page

or for
Compatibility Information (Catalog)

The buttons with the symbols beside the products in the price list supply you:

Product Data Sheets (Online)

In the Pricelist you will find small coloured signs behind the article numbers:

The red Arrow shows an
increase of price,

the green Arrow shows a
Price reduction.

The **new products** are marked with the yellow Star.

By this means you will easily make out the articles that have changed since the last catalog issue.

Climate Protection:

The Rauch Group is committed to sustainable protection of our climate and environment. Papers, which are distinguished with this logo, are from manufacturers who have committed themselves to a significantly reducing their CO² emissions.

Papers, matt

**mediaJET Museum Fibre matt
Natural white photoart paper**

Natural white, smooth photo-art paper made of 100% alpha pulp, with a soft surface reminiscent of a classic rag paper. Extremely high D-Max values and a powerfully dynamic yet harmonious colour reproduction. Acid-free and without optical brightener, ideal for exhibitions and advertising but also for long-lasting photographic and fine art works.

- 😊 Excellent
- 👍 Very Good
- 👉 Good
- 👎 Not recommended
- Not tested

*The results and recommendations are without warranty. They are the results of tests made by ourselves and the by the producers, as well as prints made by our customers. Multiple factors can influence the processing and application of our products. So we ask you to make some tests before. Liability and guarantee are excluded. We are pleased to support you in any questions
