

A3+ Heat Oven (A280)

Designed for A3+ DTF Printing:

Second generation design, more scientific structure, more accurate temperature control, full width drying and curing without dead corner.

- Perfect curing fusion effect
- Automatic timing
- Countdown buzzer
- LED alarm
- Suitable for A3 film white ink printing
- Ink and powder fuse curing

Technical Data

NAME AND MODEL	A3+ DTF OVEN
MEDIA WIDTH	≤A3 (297MM*420MM)
APPLICATION	A3 DTF FILM, INK AND POWDER FUSE CURING
CONTROL	TEMPERATURE & TIME SETUP, PID CONTROL
ELECTRICAL PARAMETERS	RATED VOLTAGE: 220V RATED CURRENT: 8.3A RATED POWER: 1.8KW
DIMENSIONS	591*554*161MM
WEIGHT	18KG
